

OVERVIEW i

CHAPTER ONE - PRESERVING AND ENHANCING PARK RESOURCES 1

Cultural Resources 2

Natural Resources 13

Scenic and Recreational Resources 21

Bringing People to the Park 26

CHAPTER TWO - PARK LAND USES, TRANSPORTATION, AND INFRASTRUCTURE 31

Land Use 32

 Open Space 32

 Building Uses 36

 Public Uses 36

 Housing 42

 Office Use 46

Transportation 46

 Transportation Demand Management 46

 Pedestrians and Bicycles 49

 Traffic Management 49

 Doyle Drive 49

 New Transportation Technologies 51

 Parking Management 51

Infrastructure and Facilities 54

 Sustainable Building Design and Rehabilitation 54

 Energy Generation and Conservation 54

 Water Conservation 55

 Solid Waste Reduction 56

 Environmental Remediation 56

TABLE OF CONTENTS

CHAPTER THREE - PLANNING DISTRICTS: CONCEPTS AND GUIDELINES	57
Main Post District: Visitor and Community Center	62
Crissy Field (Area B) District: Bayfront Recreation and Cultural Destination	70
Letterman District: Residential and Working Campus	79
Fort Scott District: Contemplative Retreat	86
Public Health Service Hospital District: Residential and Educational Community	93
East Housing District: Residential Neighborhood and Nature's Refuge	100
South Hills District: Outdoor Recreation and Woodland Retreat	107
CHAPTER FOUR - PLAN IMPLEMENTATION	113
Financing the Park	114
Self-Sufficiency and Long-Term Sustainability	114
Financial Planning Background	115
Use of Funds	117
Capital Expenses	117
Operating Expenses	117
Sources of Funds	118
Financing Strategy	120
Resource Preservation and Enhancement: Priorities and Timing	122
Ongoing Implementation Activities	123
Near-Term Implementation Activities	125
Long-Term Implementation Activities	126
Public Involvement and Partnerships	128
Public Involvement in Future Planning and Decision-Making	128
Partnership with the National Park Service	129
Participation of Other Partners	129
Park Programs and Tenants	132
Nature and Funding of Park Programs	132
Tenant Selection and Tenant Diversity	133
Reasonable Competition	135
Monitoring and Amending the Plan	136
